Will Sing "Merry Widow" and "Dollar Princess" in Spanish Language.

"The Light Opera company of the City of Mexico" numbering some 50 odd people under the tour direction of Sig. Ricardo de la Vega, is coming to hi Paso for a brief engagement beginning Monday night at the Texas Grand theater. The company will appear in a reportoire of five light operas: two of each are translations from American musical concelles, and one from the Auntrian.

The first offering will be "The Merry Widon;" one of the grentest successes ever singed, which has been translated into Spanish but recently.

It is almost a year since the company that comes to the Texas Grand, left the City of Mexico, and first appeared on American soil at the French opera house, New Orieans, where they have been for the greater part of the time since. For the past five weeks they have been playing in San Antonio, and come direct to El Paso in three special cars.

PERFORMANCE; RECEIPTS SMALL

Owing to the windstorm and the cold last night, only a small sudlence attended the benefit performance given at the El Paso theater by monager Joe Glass, in the hope of raising money to augment the "Amigo Listo" (Rendy Friend) lenefit fund. The audience was appreciative and manager Glass gave a very interesting program, including two runs of new European war pictures. A full orchestra furnished the music. The program consisted of a sketch by Miss Audra Alden and company, some delightful songs by Mine. Zalenska, and songs and patter by several others. The entertainment instell two hours and the audience appeared satisfied that manager Glass had given them their money's worth. The proceeds were less than \$106, however, and insufficient to pay the expenses of the performance. On invitation of Mr. Glass, Herald men took the tickets and checked the cash receipts.

BREAKS ENDURANCE RECORD

San Diego, Cal., Jan. 16.—By remaining in the air eight hours and 53 minutes, Lieut Byron G. Jonea, said to be the youngest aviator in the United States army, broke all American endurance records for continuous flight Friday. He descended only when darkiness set in.

The best previous endurance flight was made at Annapolis in 1912 by Lieut, John Powers, of the United States navy, who kept a hydroplane aloft for six hours and 16 minutes.

Army aviators said Lieut, Jones's flight was further remarkable in that he used less than 50 gallons of gasoline. He is 26 years old.
